## ● Shariah & Legal Considerations

- All property comes from Allah Taala as a trust, and with them come responsibilities and obligations.
- Approach the right resource persons to understand Shariah principles and the applicable legal framework.
- Plan the management and distribution of your assets.

Important instruments	
Estate	Jointly acquired property
Debts	Hibah
Funeral expenses	Trusts
Wills	Foundations
Faraid	Waqf & Sadaqah

- Muslim may strategize to achieve their objectives using their assets and these instruments.

# Thank you
